

ASHWAJEET KUMAR

B.Tech CSE Student | AI/ML & Software Developer

SUMMARY

Passionate Computer Science undergraduate with a current CGPA of 8.45. Skilled in Python, Java, AI/ML, Data Structures & Algorithms, and Web Development. Developed real-world projects including an AI Interview Coach and an Encryption & Decryption Tool. Completed AI/ML internship at IIHMF – MNNIT Prayagraj and IBM Cybersecurity Virtual Internship. Solved 50+ coding problems on LeetCode and GeeksforGeeks and continuously improving problem-solving and development skills.

EXPERIENCE

- Jun 2026 – Jul 2026 **AI & Machine Learning Intern**
IIHMF – MNNIT Prayagraj
 - Learned and worked on core AI/ML concepts.
 - Gained hands-on experience in model building and evaluation.
 - Completed tasks and assignments delivered during the internship.
- May 2025 – Jun 2025 **IBM Cybersecurity Virtual Internship**
IBM SkillsBuild
 - Completed the program on Cybersecurity fundamentals.
 - Learned about security principles, threat types, and defenses.
 - Earned a passing grade and issued a completion certificate.

PROJECTS

AI Interview Coach

An AI-powered platform that conducts mock interviews with real-time feedback using Google Gemini API. Built with Streamlit and Python to help users improve their interview skills.

Tech Stack: Python, Streamlit, Google Gemini API

Encryption & Decryption Tool

A secure desktop application that encrypts and decrypts text/files using AES algorithm. Built to ensure data confidentiality and integrity.

Tech Stack: Python, Tkinter, Cryptography (AES)

ACHIEVEMENTS

- Solved 50+ problems on LeetCode and GeeksforGeeks.
- Silver Medal in Inter-School Tabla Competition.
- Completed AI & Machine Learning Internship at IIHMF – MNNIT Prayagraj.
- Completed IBM Cybersecurity Virtual Internship.
- ★ Actively building projects and maintaining code on GitHub.

EDUCATION

- B.Tech in Computer Science and Engineering**
United College of Engineering & Research (UCER), Prayagraj
2024 – Present (3rd Year)
Current CGPA: 8.45

SKILLS

- Python
- Java
- C
- Data Structures & Algorithms
- OOPs
- AI / ML Basics
- Streamlit
- HTML, CSS
- Git & GitHub
- Problem Solving
- DBMS Basics

LANGUAGES

- English
- Hindi

HOBBIES

- Tabla (Improves concentration)
- Coding
- Photography
- Exploring new technologies
